Subject: Dismissed Protestants-- Mayfield Constested Application

Bruce:

This is a follow up on our conversation yesterday regarding the protestants that did not participate in the consolidated hearing, and were later ordered dismissed.

I checked with the administration and legal staff. All parties are expected to participate in proceedings to maintain status, you can't pick/chose or reappear later.

By order, these protestants are dismissed from the entire contested application proceedings— out, done.

Your petition to intervene is in the Nevid # 61-12096 file. The Department has not acted on it. I will work on it.
